## Where to Get the Best Hair Cuts in Philadelphia

Posted on September 13, 2010, 10:12 am

It's OK to talk fresh, if you're referring to the salon in South Hampton (burb of Philly), which boasts beautiful gal and sensational stylist, Kristen Faulkenberry. She's considerate and kind, warm and welcoming; she never forgets a client's face or name, which is why people continue to come back for a dose of Kristen every couple of months. She colors and cuts with precision and ease, another reason that her client roster is rather long. Bottom line: if you're looking for a fabulous cut from a girl-next-door, gal-pal type of stylist, ring up Kristen quick.
